

Michigan School Testing Conference: MEAP Reports

Michael Radke
MEAP Supervisor
radkem@Michigan.gov
517-241-0206

What happened to Fall Assessment reports?

- PDF's of most reports available in the last two weeks
- Feeder school reports delayed
- Public release being scheduled
- Student data files to be posted on secure website at the time of Public release
- High school class rosters to be posted March 2nd

What happened to Fall Assessment reports?

In the last 12 months

- New contractors selected
- New test designs
- Field testing on operational forms (300 forms)
- 3 to 8 testing begins doubling the number of students assessed
- Assessments moved to Fall
- New item development process
- Extension of assessment window
Range finding
- Standard Setting
- All new reports

Help students learn!

- How are you using each report
 - To help each student learn?
 - To improve instruction?
 - To improve curriculum?
 - To guide professional development?
- What improvements can we make in each report?
- What would you like to see added to the Guide to reports?

Review of Report Formats

- (The group reviewed the “Guide to Reports” available on the MEAP website)
- Specific reports reviewed include:
 - Individual student
 - Class Roster
 - Item Analyses
 - Demographic
 - Summary
 - Feeder School
 - ISD summary

Report Organization

- Several of these reports are prepared in different versions:
 - All Students
 - Students with Disabilities
 - All Except Students with Disabilities
- Several of these reports are prepared for different levels
 - Class
 - School
 - District
 - State

ALL Scored Items Are Released

- Find released items on the public MEAP website www.michigan.gov/meap
- References to item numbers in the reports are tied to the released item numbers not the original test item numbers.
- Reading selections (passages or texts) will be mailed to schools, districts and ISD's

What can we expect next year?

- Test materials on time
- Reports by December
